**Office Memorandum • UNITED STATES GOVERNMENT**

TO : Deputy Assistant Director for Operations

DATE: 11 December 1961

FROM : Chief, Foreign Documents Division

SUBJECT: FDD Monthly Progress Report - November 1961

1. Chief, FDD met with members of the Coordination Staff on 29 November to discuss ways of improving the collection of scientific and technical information on the Soviet Bloc. The Staff appeared to welcome the proposal that the collection problem with respect to foreign language publications could be solved in large part by application of additional funds. It was agreed that FDD would supply production and cost figures of its own and other USIB efforts in this field for Coordination staff review.

4. The USSR program presented by FDD was approved at the 30th meeting of the Committee on Exploitation of Foreign Language Publications on 3 November. Highlight comments were those of the Department of State representative who stated that because of reduced personnel and work pressures State analysts are now increasingly dependent upon reports produced under the FDD/USSR program.

5. On 8 November, in a memorandum to the CIA Records Administration Officer, FDD took action to integrate vital materials and record copy storage of FDD reports. This will eliminate duplicative transmittal and processing procedures and reduce Records Center storage space of this material by 50 percent. 25X1A

6. Three representatives of NSA were briefed on FDD operations by the Chief on 2 November. [REDACTED] discussed with them their special interests in the exploitation of Chinese scientific and technical materials.

7. The CTS checked 1,062 items during November, of which more than 25 percent were duplicative. Pages of duplication prevented totaled 8,205. 25X1A

8. On 9 November, FDD was at its personnel ceiling [REDACTED] for the first time in more than a year. At month's end we were one under ceiling.
